

**VERN EHLERS TOWN  
HALL MEETING**

**TELL HIM TO END  
THE OCCUPATION!**

Congressman Vern Ehlers (Michigan's Third US Congressional District) will be holding his annual town hall meeting.

Although he now thinks going into Iraq was a mistake, Ehlers has continued to support the war by voting for every bill to continue funding the war and refuses to support a timetable for the withdrawal of United States troops from Iraq.

Come tell him to stop funding the war and end the occupation of Iraq!
