

TELL MCCAIN/PALIN:

FUND HUMAN NEEDS, NOT WAR...

WED, 09/17 5:15PM

MONUMENT PARK (CORNER OF FULTON & DIVISION)

Our schools are crumbling, many of us can't afford healthcare, our homes are being foreclosed, food costs are rising... yet the illegal occupation of Iraq continues to receive an almost unlimited amount of government funding.

When McCain and Palin speak at GRCC, let's protest to demand an immediate end to the Iraq War (no time tables, no contractors, and no "residual forces") and the prioritizing of human needs over war.
